

## Young Living Essential Oils List

Each Tranquil Heart participant is required to bring his/her own generous, assorted, supply of YL Oils to work with. It is expected that each participant has made a serious investment in YL oils and a few books (see list) prior to registering. The 20 oils “\*\*\*” below are required to bring. The more you bring to class, the more you learn about. Check all of the YL oils that you have secured, and forward your complete list to Kathy when registering, for discussion and approval, at least 2 weeks prior to class date.
